

## *Personal Chef Services:*

*Call Justin and set up a very unique experience. A custom menu designed around your needs and budget, prepared in front of you in your own home. Maybe it's a birthday, anniversary, or even a business meeting. Let us take care of all your needs.*

*We purchase all the fresh foods, use our equipment, set up dining area, clean up our mess, and get out of your way like we were never there.*

*This is perfect for any special event. Please contact Chef Justin, formerly Secret Chef, and let him design your dining experience. 2699082960*
